**Re: Request for Application Number and Filing Receipt  
for PCT/AU2004/001026**

Dear Commissioner for Patents,

I had mailed a letter dated 10<sup>th</sup> July, 2005, regarding the same subject but have not yet received any response.

I had filed an application to proceed to National Phase for PCT/AU2004/001026 on the 20<sup>th</sup> March, 2005. Fees of US\$2,105 had been paid via my American Express card on the 1<sup>st</sup> April, 2005. The description of that transaction "US PATENT TRADEMARK 800-8472772 VA".

However, I have not yet received an Application Number or Filing Receipt. Please respond at your earliest convenience with the Application number and Filing Receipt.

Please do not hesitate to contact me if you require any other information,

Yours sincerely,

Louis Pan
